

List of Typos

- on page 25 on line 14 it is written "a second matrix", please check this sentence, for consistency with the considered DAE problems $D(x, t)$ should be a vector as $B(x, t)$.
- page 57, formula 4.2, please check it. The relation between $E(x, t)$ and $A(x, t)$, $B(x, t)$ and $g(x, t)$ is not clear. May be some intermediate step is missing.
- page 62, section 4.4, line -3, it seems that "slidercrank" is not the correct name here. It should be "name".
